for the
Southern District of Florida**

Case No. 16-CV-62488

Jah Rastafari Malchizedek – C.E.O.

RANDOLPH CODNER

(Plaintiff/Petitioner)

Vs

State of Florida - STATE OF FLORIDA

Ron DeSantis – Governor

Ashley Moody – Attorney General

Michael Satz – Assistant Attorney General

Scott Israel – Sheriff (Broward County)

(Defendant/Respondent)

Request to Reopen and Amend Petition

Comes now, Jah Rastafari Malchizedek, the true, real and living Sovereign as Plaintiff in proper person, with this Request to Reopen and Amend Petition in the above Case which this Court closed because the case in reference (No. 1600-8725-CF10A, in the 17th Judicial Circuit Court of Broward County) was still being prosecuted and pending disposition at the time. Now that the said case (No. 1600-8725-CF10A) is closed, Plaintiff asks this Court to reopen this Case (No. 16-CV-62488) to hear His complaint against the State of Florida, Respondent, and grant Him the relief requested.

Jurisdiction

Plaintiff believes that His secured constitutional and civil rights were violated, and now seeks a jury trial in a common law court for redress. This Court has jurisdiction to hear matters involving sovereigns according to Article 3, Section 2, and Amendments 1 and 7 of the Constitution of the United States (USC).

Question

The question for this Court is of great national importance and must be settled before Court can move forward with this or any other case involving true sovereigns traveling within the United States territories by law.

History / Statement of Claim

Plaintiff was wrongfully arrested by the US Marshals on July 8th, 2016, in Lee County, Florida on false pretense. He was falsely charged and extradited to Broward County on the 14th of July 2016, where He remained in Respondent's custody until November 6th, 2023, when said case was dismissed. Plaintiff has suffered extreme physical and psychological trauma due to Respondent's cruel and unusual punishments; and lost His valuable and sentimental possessions due to being in Respondent's unjust confinements without a way to get bail.

Conclusion

Since the suit of the Sovereign cannot be unsuited then let this Court give the Order to re-open and amend petition in the above Case so Plaintiff can be heard, and for this Court to decide on the fair and just compensation for His injuries, pain, sufferings and losses.
