Become more confident in your MI counseling! This three-hour course is for people who have had (at minimum) a two-day beginner's course in motivational interviewing and who want to refresh their skills, update their knowledge, and develop better competence in MI.

MI is an excellent evidence-based practice for assisting clients to initiate change in a wide range of problem behaviors. Review the spirit and principles of motivational interviewing. Refresh and develop your skills in helping people who are 'stuck' or unsure of the need for change. MI was recently redesigned to include Miller & Rollnick's new four-process model. Participants will practice skills to help better apply MI theory to real life situations.

This course qualifies for 3 hours of continuing education. Continuing education (CE) hours are available to maintain the following licenses with the Board of Behavioral Sciences (BBS): Marriage and Family Therapists, Licensed Clinical Social Workers, Licensed Educational Psychologists, and Licensed Professional Clinical Counselors.

West Valley College is an accredited post-secondary institution and is recognized by the BBS as an approved continuing education provider. The college is accredited by the Accrediting Commission for Community and Junior Colleges of the Western Association of Schools and Colleges pursuant to Section 1887.4.3
