## SUPPLEMENTARY AGREEMENT

**THIS SUPPLEMENTARY AGREEMENT** (hereinafter referred to as "Supplementary Agreement" or "Agreement"), is made by and among the following:

### ***PARTIES***

**PFA TRANSPORTATION INSURANCE & SURETY SERVICES (PFA)**, an Arizona corporation, (hereinafter referred to as "Company"); and, **Urban Logistics TMG LLC**, a pending or currently active transportation broker or freight forwarder subject to regulation by the Federal Motor Carrier Safety Administration (FMCSA) under DOT Docket No. 04406545 and MC-01730485 (hereinafter referred to as "Principal"), and **Edward Scott**, and each of the other undersigned (each of whom, along with Principal, are hereinafter referred to as "Indemnitors").

Principal and Indemnitors, who by signing this Supplementary Agreement, acknowledge they have received a copy of the BMC-84 and this Supplementary Agreement and further agree for themselves, their personal representatives, successors and assigns to be bound by all terms of this Agreement as though each were the sole applicant.

The purpose of this Supplementary Agreement is to further define the relationship between the Company and Indemnitors pursuant to a current or pending BMC-84 Broker's or Freight Forwarder's Surety Bond (hereinafter referred to as the "BMC-84") under 49 U.S.C. 13906, the entirety of which hereby is incorporated as an organic element of this Supplementary Agreement by this reference.

### ***RECITALS***

WHEREAS, Principal is or intends to become a licensed transportation broker or freight forwarder pursuant to the provisions of 49 U.S.C. 13904 and the rules and regulations of the FMCSA. Principal further represents and warrants that no one having or expecting to have any financial, proprietary, or other significant interest in **Urban Logistics TMG LLC**, including Principals, Indemnitors, directors, officers, or key employees, is in default of any debt or obligation owed to Company; and,

WHEREAS, the Indemnitors have entered into or will enter into a BMC-84 and desire to enter into this Supplementary Agreement to further define the relationship between the parties pursuant to the provisions of that BMC-84;

NOW, THEREFORE, for good and valuable consideration, the sufficiency of which is hereby acknowledged, and the mutual covenants and undertakings set forth herein and in the BMC-84 supplemented hereby, the parties hereto agree as follows:

### ***PROVISIONS***

#### **Article I. Fees**

In consideration of the Company administering the bond, Principal and Indemnitors hereby promise and agree to pay all annual, fully earned fees and all subsequent renewals, extensions, or modifications, whether the bond is continuous, renewed by Continuation Certificate or by the filing of a new bond, until such time as the Company is provided with evidence satisfactory to it of its complete termination of liability under this agreement.

The parties acknowledge that the fees cover only the sum total of three (3) inquiries and/or claims made in relation to the BMC-84 per calendar quarter unless Company shall determine otherwise in light of specific circumstances. The parties acknowledge and agree that inquiries and/or claims in excess of the limit shall be deemed Excessive Claims and shall be

invoiced to Principal and Indemnitors in the amount of \$50.00 per claim inquiry and \$100.00 per completed claim application (such price shall be subject to change annually with notice to Principal or Indemnitors). Excessive Claims invoiced shall be paid by Principal or Indemnitors to Company within the due date indicated on the invoice.

Any payments owed by Principal and/or Indemnitors to Company for any Fees which are not paid on or before the due date may be deemed a default by Principal and/or Indemnitors, and may accrue interest at 15% per annum.

The payment of Fees by Principal or Indemnitors to Company is due in advance of services rendered and all Fees shall not be refundable once received by Company.

The fee is calculated based on many factors, including but not limited to: the creditworthiness of the Principal, years of experience in the industry, bundling with other products and services and claim activity. Any material changes in these, or other factors, will immediately affect the fee to which the Principal or Indemnitors are responsible.

## **Article II. Company Responsibilities**

### ***Section 2.01 General***

Company shall, after execution of this Supplementary Agreement, the Indemnification Agreement and upon receipt of fees, cause to be electronically filed with the FMCSA, the BMC-84.

### ***Section 2.02 Notice of Cancellation***

Company may cause to be filed a "Notice of Cancellation" for the BMC-84 at any time Company determines, in good faith, that Principal or Indemnitors have breached any provision of the BMC-84, the Indemnification Agreement, this Supplementary Agreement or any other written or oral undertaking between the parties which the Company determines to be material to such arrangements.

### ***Section 2.03 Bankruptcy or Insolvency of Principal and/or Indemnitor(s)***

If Principal and/or Indemnitors experience financial failure or insolvency, Company shall: (a) cause to be submitted a Notice of Cancellation; (b) publicly advertise claims for 60 days beginning on the date of publication of the Notice of Cancellation; and (c) cause to be paid, not later than 30 days **after** the expiration of the 60-day period for submission of claims: (i) all uncontested claims received during such period; or (ii) a pro rata share of such claims if the total amount of such claims exceeds the penal sum of the **bond**. Company shall continue administration of claims in said manner until the penal sum is exhausted or until the liability under the Bond is completely exonerated.

## **Article III. Principal and/or Indemnitor Responsibilities**

### ***Section 3.01 General***

Principal or Indemnitors shall not delegate its/their duties hereunder, or assign any of Principals' or Indemnitors' rights, titles, or interest herein, to any other persons or entities, except upon the express written consent of Company. All of Principals' agents, employees and owners shall be deemed to have actual authority to bind the Principal in all matters regarding this Supplementary Agreement and any other written or oral undertaking between the Principal and Company.

Principal and Indemnitors shall keep Company apprised of their physical location, as well as all other appropriate contact information, at all times within the pendency of the BMC-84. Any failure of such shall be deemed as consent by Principal and/or Indemnitors to cancel the underlying BMC-84 filing with the FMCSA.

Indemnitors shall furnish Company such information as it may request from time to time concerning the financial condition of Principal and/or Indemnitors. The Company may obtain information concerning the affairs and operations of the Principal and/or Indemnitors and any transaction between or among the Principal and Indemnitor(s) from any banks, depositories, credit reporting agencies or other persons, each of whom are hereby expressly authorized by Principal and/or Indemnitors to furnish such information to Company.

## **Article IV. Claims**

### ***Section 4.01 Administration of Claims***

Company may, at its sole discretion, deny, pay, compromise, defend or appeal any claim or suit against the bond. In the event a claim is filed with the Company, pursuant to the provisions of the BMC-84, and Principal or Indemnitors dispute the claim, Indemnitors shall, within five business days after notice of the claim, deliver to Company a written notice of such dispute. Such written notice shall contain an explanation of the nature of the dispute with supporting documentation. By submitting such written notice to the Company, Principal and Indemnitors hereby agree to defend, indemnify, and hold Company harmless against all claims brought against Company by any party, including Principal or Indemnitors, in relation to the disputed claim. In the event the written notice described above is not timely delivered to Company, Principal and Indemnitors shall be deemed to have admitted to Principal and Indemnitors' "legal liability" in relation to the claim.

In the event written notice described above is timely received by Company and Company determines, in its sole and absolute discretion, that such dispute is made in good faith, Company shall not pay the underlying shipper or carrier which submitted the disputed claim unless "legal liability" has been established through either admission, investigation or a complete process of adjudication.

However, any failure on Principal or Indemnitors' part to cooperate fully with Company's investigation of any disputed claim(s) shall be construed as an admission that Principal and/or Indemnitors no longer contest any such claim made against it, subject to Company's sole and absolute discretion in such regards.

Principal and/or Indemnitors shall, jointly and severally, absolutely and unconditionally, indemnify, defend and hold Company harmless against all liability, loss, claims, demands, attorney's fees, cost and expenses of every kind and nature, which Company incurs or for which it may become liable as a consequence of administering any bond, including any and all claims paid by Company on the bond as well as for all expenses advanced at the request of Company for such purposes, whether in settlement or compromise of any action taken in good faith and subject to Company's determination, made in Company's sole and absolute discretion, that Principal would have "legal liability".

## **Article V. [reserved]**

## **Article VI. [reserved]**

## **Article VII. General Arrangements**

### ***Section 7.01 Term and Nature of Agreement***

The effective term of this Supplementary Agreement shall begin with the issuance of the BMC-84 and shall continue until all of Principal and Indemnitors obligations are satisfied in full.

### ***Section 7.02 Procedural Considerations***

The terms of this Supplementary Agreement and the BMC-84 or addenda referenced or otherwise incorporated herein are severable, and in the event any provision or term of such instruments is or are declared illegal or unenforceable the remainder of both this Supplementary Agreement and any sub-agreements or addenda referenced or otherwise incorporated herein shall remain effective and binding on both parties. No waiver of any breach or violation of any of the covenants or provisions of this Supplementary Agreement, the BMC-84 and/or any sub-agreements or addenda referenced or otherwise incorporated herein shall be construed as a waiver of any subsequent breach or violation of the same or any other covenant or provision thereof.

### ***Section 7.03 Cumulative Remedies***

All of Company's rights and remedies whether evidenced by this Supplementary Agreement, the BMC-84 and of any sub-agreements or addenda referenced or otherwise incorporated herein or by any other writing between the parties, shall be cumulative and may be exercised singularly or concurrently. Election by Company to pursue any remedy shall not exclude pursuit of any other remedy, and an election **not make expenditures** or to take action to perform an obligation of Indemnitors under this Supplementary Agreement, after Indemnitors' failure to perform, shall not affect Company's right to declare a default and to exercise its remedies.

#### ***Section 7.04 Signed Counterparts***

This Supplementary Agreement may be executed in any number of counterparts, each of which shall be deemed an original hereof and all of which, taken together, shall constitute one and the same instrument. A facsimile, photocopy, or electronic reproduction of this document or the signature(s) thereon shall be deemed to be an original for all purposes.

#### ***Section 7.05 Governing Law***

The validity of this Supplementary Agreement between the parties, whether as to construction, interpretation and/or enforcement, or as to the corresponding rights of either of the parties hereto in such regards, shall be determined under, governed by, and construed in accordance with the laws of the State of Arizona to the extent not inconsistent with federal law or necessary judicial preemption. All legal actions or proceedings arising in connection with this Supplementary Agreement or addenda referenced or otherwise incorporated herein or supplemented hereby shall be litigated only in state or federal courts located in the County of Maricopa, State of Arizona. Furthermore, Principal and/or Indemnitors hereby waive any right to assert the doctrine of forum non conveniens, or to object in any other way to such state or federal venue within such geographical boundaries, as appropriate, and hereby consents to any court-ordered relief which might eventuate therefrom.

**IN WITNESS WHEREOF** the authorized representatives of the parties hereto hereby set their hands below, further reaffirming (a) that they are indeed the authorized representatives of their respective parties for such purposes, (b) that they have read the foregoing text of this Supplementary Agreement in its entirety and know and understand the contents thereof, and (c) that each of them hereby acknowledges receipt of an executed example hereof.

## INDEMNITY AGREEMENT

**THIS INDEMNITY AGREEMENT** is made by and among the following:

**MERCHANTS BONDING COMPANY (MUTUAL), MERCHANTS NATIONAL BONDING, INC. and Merchants National Indemnity Company, an operating name of Merchants National Bonding Inc. in California**, all being corporations of Iowa, and their affiliates, subsidiaries, subsidiaries of subsidiaries, successors and assigns (hereinafter collectively referred to as "Sureties" or individually as "Surety"); and, **Urban Logistics TMG LLC**, a pending or currently active transportation broker or freight forwarder subject to regulation by the Federal Motor Carrier Safety Administration (FMCSA) under DOT Docket No. 04406545 and MC01730485 (hereinafter referred to as "Principal"), and **Edward Scott**, and each of the other undersigned (each of whom, along with Principal, are hereinafter referred to individually as "Indemnitor" and collectively as "Indemnitors").

The purpose of this Indemnity Agreement (herein after referred to as "Agreement") is to further define the relationship between Surety and Indemnitors pursuant to a current or pending BMC-84 Broker's or Freight Forwarder's Surety Bond (hereinafter referred to as the "BMC-84") under 49 U.S.C. 13906, the entirety of which hereby is incorporated as an organic element of this Agreement by this reference.

The Principal and Indemnitor(s) (collectively referred to as the Undersigned) certifies that the foregoing statements and declarations are true and accurate. In consideration of the Surety executing the applied for bond, the Undersigned do promise and agree to pay an annual premium to the Surety until such time as the Undersigned shall furnish the Surety with satisfactory evidence of the complete termination of Sureties liability on said bond.

The Undersigned further agrees to indemnify and save harmless the said Sureties, in connection with any bond executed on behalf of the person or entity named as Principal and/or Indemnitor(s), for, from and against any and all losses, costs, damages and expenses of any nature whatsoever, including counsel fees and expenses, and reimburse said Sureties for loss adjusting expenses and compensation, which may accrue to the said Sureties by reason of the said Sureties having become surety on said bonds.

If the Surety shall set up a reserve to cover any claim, suit or judgment under any such bonds, the Undersigned will, immediately upon demand, deposit with the Surety a sum of money equal to such reserve. Such sum to be held by the Surety as collateral security on such bonds, and such sum and any other money or property which shall have been, or shall hereafter be, pledged as collateral security on any such bond shall, unless otherwise agreed in writing by the Surety, be available, in the sole discretion of the Surety, as collateral security on all bonds coming under this agreement. Said demand shall be sufficient if sent to the address last known to the Surety of the Principal and/or Indemnitor(s) to whom it is directed, whether or not it is actually received.

The Undersigned hereby further agrees that the vouchers or other evidence of payments made by the said Surety under its obligation of suretyship shall be conclusive evidence against the Undersigned of the fact and extent of the Undersigned's liability to the said Surety under said obligation of the Undersigned, whether said payments were made to discharge a penalty thereunder, incurred in the investigation of a claim made thereon or adjusting a loss or claim in connection therewith, or in completing the work covered thereby, and whether voluntarily made or paid after suit and judgement against said Surety.

In the event that a Notice of Cancellation for the BMC-84 is filed, Surety will retain any reserves or other collateral until all actual and potential claims against the bond are exonerated, all loss fully reimbursed, and until the Surety's liability as a consequence of issuing the bond is completely exonerated.

This Agreement shall constitute a Security Agreement to the Surety and also a Financing Statement, both in

accordance with the provisions of the Uniform Commercial Code of every jurisdiction wherein such Code is in effect. This Agreement shall, if recorded, constitute a consensual lien upon any and all real estate owned by the Undersigned at the time of such recording. However, the filing or recording of this Agreement shall be solely at the option of the Surety, and the failure to do so shall not release or impair any of the obligations of the Undersigned under this Agreement or otherwise arising, nor shall such failure be in any manner in derogation of the rights of the Surety under this Agreement or otherwise. The use of this Agreement as a Security Agreement, Financing Statement or consensual lien shall in no way abrogate, restrict or limit the rights of the Surety under this Agreement or at law or in equity. Principal and/or Indemnitor(s) agree that Surety shall have the immediate right to garnish any real or personal property of Principal or Indemnitor(s) in the event of default on any obligations herein. The Undersigned waive all right to claim any property, including homestead, as exempt from levy, execution, sale or other legal process.

It is further agreed that the terms and conditions of this Agreement shall also apply to increases and/or decreases in the amount of any and all bonds, and shall also apply to all renewals whether the bond is continuous, renewed by Continuation Certificate or by the filing of a new bond.

The Surety shall have the right, and is hereby authorized, but not required to fill up any blanks left herein, and to correct any errors in the description of any of said bonds, or in said premium or premiums, or in any name or names, it being agreed that such insertion or corrections, when so made, shall be prima facie correct. This Agreement shall be liberally construed so as to fully protect the Surety, its successors, assigns and reinsurers. The Undersigned appoints any officer of the Surety as the attorney-in-fact of the Undersigned with full right to execute on behalf of the Undersigned any document necessary to carry into effect the intent and purposes of this Agreement.

The Undersigned agree that its obligations under this Agreement shall continue in full force and effect until all Undersigned's obligations (past, present and future) to Surety shall have been performed in full. The Undersigned's obligations shall include and extend to any and all renewals, extensions, modifications, rearrangements and refinancing thereof. The Undersigned agrees that Principal shall have the sole and absolute responsibility to notify each of the Undersigned indemnifying parties of any such renewal, extension, modification, rearrangement and refinancing and the Indemnitors agree to defend, indemnify and hold Surety harmless for Principal's failure to so notify the Indemnitors.

Except as prohibited by applicable law, the Undersigned waive any right to require Surety to: (a) make any presentment, protest, demand or notice of any kind, including notice of change of any terms of Undersigned's obligations under the Agreement, default by Undersigned or any other guarantor or surety, any action or nonaction taken by Undersigned, Surety or any other guarantor or surety of Undersigned, or the creation of new or additional obligations imposed on Undersigned; (b) proceed against Principal before proceeding against Indemnitors; (c) apply any payments or proceeds received by Undersigned in any order; (d) disclose any information about Undersigned's obligations, Indemnitors, or any other guarantor or surety, or about any action or nonaction of Surety; or (e) pursue any remedy or course of action in Surety's power whatsoever.

Surety may delegate its duties hereunder, or assign any of its rights, titles, or interest herein, to any Third-Party Administrator referenced in the Supplementary Agreement, or to any other persons or entities, so long as such delegation or assignment is not prohibited by applicable law.

A facsimile copy of this document or the signature(s) thereon, shall be deemed to be an original document or signature(s) for all purposes.

**EXECUTED** this 8 day of January, 2026.
