

Household Trash – collection days are Tuesday and Friday

- Set your container out at the curb the evening before your collection day or by 7:00 am the latest the day of collection.
- Place your container with its handle facing your house. Make sure it is set away from your mailbox, trees, or any other object that may prevent the truck from accessing it.
- Trash must be inside your container in order to be collected. **Garbage that is set out on the ground or on top of your container will **not** be collected.**
- Dispose of household trash **only** in your container. Containers with items such as yard waste, liquids, and building materials will not be emptied.
- Garbage must be set out in a City-issued container. Residents may request a second container, which will be serviced for an additional monthly fee.
- If you are physically unable to place your containers curbside, you may request door-side pickup services. Please call 407-656-2256 for details.

Yard Waste – collection day is Wednesday

- Set your debris out at the curb the evening before your collection day or by 7:00 am the latest the day of collection.
- Stack branches and tree limbs neatly next to the curb.
- Please bag grass clippings and leaves. Loose grass or leaves will not be picked up.
- There is an additional charge for picking up yard waste piles larger than three cubic yards. Please call 407-656-2256, ext. 2009, for details.
- Please note that City approval is required to remove a tree ([tree removal permit application](#)). Contractors hired to remove a tree are responsible for disposing of the debris.

Large Items– collection day is Wednesday

- Set your items out at the curb the evening before collection or by 7:00 am the latest the day of collection.
- Items include furniture, mattresses, carpeting, etc.
- Large cardboard boxes that do not fit in your trash container may be set out for bulk collection. Dispose of small boxes, such as cereal, snack, and shoe boxes, in your trash container.
- There is no need to schedule pickup of these items.

Electronics

- **The collection of electronics must be scheduled in advance.** Please call 407-656-2256 to request a pickup. Items are usually collected within a day or two of your request, not including weekends.
- Items include appliances, televisions, computers, vacuum cleaners, water heaters, lawn mowers, grills, etc.
