17TH COMMENCEMENT EXERCISES

MESSAGE FROM THE VICE PRESIDENT & PROVOST

Dear Students, Families, Faculties, & Administration

With heartfelt gratitude, I welcome you to the Seventeenth Annual Commencement Ceremony of Living Word Bible College. Today celebrates years of dedication, prayer, and growth, marking not just the awarding of degrees but a sacred recognition of lives shaped by God's Word for service in His Kingdom.

Our theme, "Commissioned For Greater Things," reminds us that this commencement signifies a new beginning. Just as God called biblical figures like Moses and Paul to extraordinary missions, you are now sent forth with divine purpose.

As graduates, you leave equipped not only with academic knowledge but with a sacred commission to pursue biblical integrity and spiritual growth. The world needs individuals grounded in Scripture and committed to the Gospel, whether in ministry, education, or your local church.

Congratulations to the Class of 2026. May this day be a milestone as you step into your future with courage and faith, knowing God will guide you. May you be blessed and empowered in your journey ahead.

Rev. Christian Aguirre
Vice President & Provost
Living Word Bible College
