Message from the Commander

Greetings compatriots,

The “Dog Days” of summer are coming to an end as it will soon be September. Many schools have started back and I received this notification. After a more than three-hour meeting tonight, the Midland ISD Board voted 4-3 to restore the historic name of **Lee High School** (but not its original name R.E. Lee High School) **and** to name the freshman campus **Lee Freshman School**.

Despite a heavy turnout and public testimony from a predominantly woke opposition, the board stood firm and voted 4-3 to return this proud name to its rightful place in Midland’s history. This decision restores the honor and legacy of a school that has served generations of students and the community. A victory for Texas history and heritage!

Unfortunately, we were not able to participate in the Lake Granbury Intertribal Pow Wow this year, but plan to do so next year. We will however be participating in the Comanche Pow Wow September 27-28, so please make plans to attend and help us with our booth. Any and all help is greatly appreciated.

Although we didn’t have a quorum at our last meeting, did have a good time of fellowship. We had a guest (Sam Malden) who found out about us from our website.

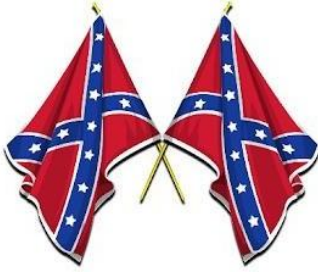

I look forward to seeing everyone again at our next meeting when Warren Cate will be presenting our program. Until then, may God bless each of you and may God bless Dixie.

Dave
