July 2023 | #TeamMegieMaddrey4Ward4 | VOTE SEPT. 5TH

How will you work to help ward 4?

Improve public safety

"I will work with our leaders and community organizations to ensure that our neighborhoods are safe for all residents. We deserve safe roads, clean parks, and safe places for our children to play freely."

Increase economic development

"I will work to attract new businesses to our ward and support existing businesses to create more job opportunities for our residents. More financial opportunities will allow our youth to build income, credit, and more to improve their lives while contributing to our communities."

Affordable housing

"I will work to create more affordable housing options for our residents and ensure that landlords are held accountable for maintaining safe and habitable living conditions. I will work to help our young adults so they can become renters or even home owners!"
