July 2025 Newsletter

Dear Ward 4, welcome to our July Newsletter!

I hope you are all having an amazing Summer, especially now that we have had some sunny weekends. There are lots of activities being planned for our community, and we had a blast at our very first Annual Community Fest that was held at High Rock Tower on August 2nd.♥

I am beyond thrilled to announce that I will be running in the upcoming elections unopposed. This is the first time for me running for office without an opponent in 10 years! Although I do not have an opponent in this election cycle, I will continue to knock on doors and provide the best possible constituent services as your Ward Councilor. Thank you so much for your support during my first term in office, and I am looking forward to continue to serve you. I am humbly asking you to vote for me on both September 2nd and November 4th.

Please look through the newsletter to find flyers for upcoming events. As always, if you have an event coming up, and you want me to include it in our newsletter, please send it to me and I would be happy to share.

Don't forget to mark your calendars for our upcoming Council meetings:

September 9, 2025 & September 23, 2025 at 5:30 PM -

If you have any questions or just want to chat, don't hesitate to reach out to me on my city phone @781-910-3992, or my city email at natasha.megie-maddrey@lynnma.gov, or my personal email natashamegie@gmail.com or my personal phone # 617-755-3853 visit our website at www.natashaforlynn.com.

With Love, Natasha Megie-Maddrey Esq. Ward 4 City Councilor

Beacon Hill Ave. was paved. This street has needed to be re-paved for many years, and finally, we have a beautifully paved street. Please know that I am aware that a lot of streets in our Ward need re-paving and I am continuing to work on that, if your street needs some love please send your requests to me and I will add them to my list. Thank you to DPW for making this happen. They did a great job, here is the before and after picture. ♥

had a vision to bring the community together, where everyone could enjoy themselves and vendors could share resources. The kids loved the bouncy house.

To my Hubby, my Sister, and my two daughters, I couldn't have done this without you, thank you so much.
