

June 2025 Newsletter

Dear Ward 4, welcome to our June Newsletter!

I am beyond thrilled that Lynn had so many amazing community events this month. We raised the Juneteenth flag to celebrate, and honor the past and inspire the future generations to continue the fight for justice. Lynn also raised the Portugal flag for the first time ever. We also raised the Pride flag to celebrate with the LGBTQ+ Community, what a beautiful celebration it was. I am so proud to be an elected official in this beautiful city.

I also attended 5 High school graduations this month, to all of the parents, teachers and staff at all of these schools thank you for everything you have done for our students, I can't wait to see what the future holds for them. Huge Congrats to the class of 2025. There are lots of activities being planned for our community, especially our very first Annual Community Fest being held at High Rock Tower on August 2nd from 11am-4pm. Please reach out to me if you would like to help.

Please look through the newsletter to find flyers for upcoming events. As always, if you have an event coming up, and you want me to include it in our newsletter, please send them to me and I would be happy to share.

Don't forget to mark your calendars for our upcoming Council meetings:
