

# Thank You for Your Support!

October 2021 Newsletter

"On a mission in Kensington in October, we met a man who was recently out of the hospital and struggling with addiction. He was Catholic. He asked Fr. Michael for confession and talked with us for hours. He asked us for a rosary. We handed him one and I showed him how to pray it and say the Hail Holy Queen. He said it was one of the most beautiful prayers he had ever heard. Seeing the strength of his faith and hope, even in one of the darkest times of his life, was incredibly powerful and moving. All I hope is that when I face suffering in my life, my faith will be as strong as his."

## Rosary Walk with the Sisters of Life

"This month we participated in a rosary walk through the streets of Kensington with the Sisters of Life. Unifying in our mission to serve the poor, forgotten, and hopeless on the streets, we were grateful to walk together and cry out in prayer. The reverence of those on the streets as they saw the Blessed Mother was striking. Our Blessed Mother continues to draw us closer to our only hope, our savior Jesus Christ."

# The Magdala House

MISSION YOUTH  
PHILLY

"It has been one, beautiful month since the Apostles arrived to the Magdala House. The old convent has been transformed into a lively home filled with joy, laughter, and the shared mission of being the hands and feet of Christ. We pray together in the mornings and evenings, and each week we share meals together as a community. The Magdala house is a place of formation and rest for our community. Come join us for dinner on a Monday night!

- Malorie Leach, Human Formation Director

"To be here living this mission as a community of Apostles is such a privilege in so many ways. Because of your support, whether it be through prayers or donations, we have not only been able to receive Christ daily into our bodies and hearts and be filled with His grace through Communion and holy hour, but then to go out and give from the overflow, bringing Him and His message of love and salvation to the people we encounter, to proclaim, by our witness and example, that there is a loving and faithful God whom we can trust. It is truly a gift to have the time to be fully present and attentive with every person we engage with. For that is what it means to love, and to be Christ's hands, His feet, and His heart here on earth."

Thank you so much for your support! We have been overwhelmed by the abundance of generosity from each of you. This mission has come alive through your willingness to give clothing donations, bagged lunches with notes of encouragement, baby supplies, financial support, prayers, and all those willing to join us on the streets. It has been beautiful to see the efforts of each of us as parts of the body of Christ; coming together in an effort to serve our brothers and sisters. We are privileged to be vessels of your love and support to those most in need.

Please let us know of any specific prayer intentions you may have. You and your families are in our prayers daily.

God Bless,  
The Mission Youth Apostles
