Support your local farmer's market and gain exclusive exposure for your business!

The farmers market offers a wonderful opportunity for shoppers to purchase locally grown produce and unique handcrafted items, enjoy live music, and connect with their community. It has become a gathering place that enhances other shopping options in Coopersburg. Our goal is to encourage Coopersburg families to stay and shop within their own community.

This upcoming season, we have an exciting program of events and promotions planned to attract even more customers. We have created sponsorship packages designed to increase your business's visibility and offer valuable benefits to help promote your brand. Support from local businesses is essential for the success of our market and the community. We hope you will consider joining us as a sponsor this year!
