

## HISTORY

Chartered in 1951, the Community Garden Club of Meredith, a volunteer organization has promoted horticultural education, civic beautification and conservation.

Whether you are a passionate gardener or interested in learning, this friendly group will welcome you.

Celebrating decades of volunteer commitment to our community.

"To plant a garden is  
to believe in tomorrow"

*Audrey Hepburn*

Meredith, New  
Hampshire 03253

## MISSION

The Community Garden Club of Meredith is dedicated to promoting horticultural education, community beautification and conservation through volunteerism and friendship.

Club Flower ~ Rose  
Club Bird ~ Chickadee

## **WHY JOIN A GARDEN CLUB?**

BECAUSE...it is a great place to get to meet and know others within our community who share your love of gardening and the environment. Join to learn something new!

Join for the chance to get out and do something for:

You, your friends & community!

Join for the fun of it!

Daffodils by Mary Crane Fahey

Daffodils, smudges  
Of yellow blooming already  
Through spring's first whispers  
Splintering winter darkness  
Welcome burgeoning shards of light

In honor of Meredith's 250th celebration the Community Garden Club of Meredith donated and planted more than 2600 daffodil bulbs all around our town.
