... and a time to DANCE

This year challenged me in ways I didn't expect. It was a season of rebuilding, reflection, and rediscovering my "why."

This verse has always spoken to me, but this year I truly felt the meaning behind it. Life moves through seasons. Some filled with joy and celebration, others with grief, growth, and uncertainty. No season stays forever, and no journey is without both highs and lows.

Through every "time," I've been grateful to have this studio to turn to. It's been a place of healing, purpose, laughter and connection.

Thank you for trusting me with your children, for supporting this dream, and for continuing to grow with us year after year.

No matter the season, I'm thankful we get to dance through it together.

With a grateful heart,  
Kristin
