Important status note

This document is a customer-facing training summary prepared for the Happy Pets Chester website. It is not an official certificate, is not issued or endorsed by ProTrainings Europe Ltd., and should not be used as proof of qualification. The official course certificate should be shown privately on request when available.

Verification

For formal verification, request sight of the original certificate directly from Happy Pets Chester or contact the training provider. This summary contains no certificate number, completion date or provider signature because those details were not supplied.
