## BOOKS BY VIC

Vic writes contemporary romance books that are on the erotic side. She has three series out and two stand alone books on Amazon. These are for adults only., 18+

### HER COWBOY

The Girls of Summer Series starts with Her Cowboy. Dani Vaughn moves home to Hope Oklahoma to open a new business. She runs into trouble and has to hire Zack Boyd to protect her.

### MAGNOLIA COTTAGE

A stand alone book, Magnolia Cottage has suspense, intrigue, and of course spicy romance. Vivian is a photographer from Nashville and Clark is an attorney in Kansas, not a likely pair.

### *In His Eyes* IN HIS EYES

A Kidnapping, mobsters, love, and hate all around in this romance novel that you will love. It's more of a Novella, but a wonderful read. Norma is an attorney and Phil is the police chief of the small town they grew up in. This heat up in this hot little number.

# ABOUT THAT PACT

BY ERIN LYNNE

Anyone have that one person, that colossal mistake, who just won't stay in the past?

Charlotte Madison did and his name was Rafe Bianchi. Unfortunately for her, the only life she knew had Rafe in it. Their parents were best friends, so they saw a lot of each other whether or not they liked it.

That's right. Family vacations, BBQ parties, birthday celebrations – every family function he was there.

Rafe wasn't always a nightmare. There was a time when they were friends. As kids, they played all summer, getting into trouble, racing on their bikes, and making pacts. It was all fun and games until the innocence of their promises turned a bit sexy. One deal they didn't shake on, but happened anyway?

Heartbreak.

Charlotte and Rafe crossed a line and their friendship vanished as they turned on each other. Their relationship slipped from friends to enemies.

Whenever they saw each other, an argument happened. Charlotte and Rafe fighting was the new normal, so when he hustled her into owing him five favors, she was expecting war. Just like when they were kids, Charlotte owed him and he wouldn't let her forget about it.

Owing him was something she was used to. What was the worst that could happen this time around?
