Don't have a mobile phone or computer? **ZOOM** is for **YOU** too!!
Yes! **ZOOM** allows you to dial in to the Annual Meeting from a regular land-line phone. Of course, you won't be able to see anyone, but you will be able to hear and add your voice to the conversation---just like an ordinary phone call. We can help you learn how. Please call the church office if you'd like more information.

It is as easy as dialing 1-312-626-6799 and inputting the meeting number: 519-114-0024.

Of course, if you are using a landline, you'll want to check with your carrier about cost for this call. Some charge a fee and some do not.

Financial information, including the proposed budget for 2021 will be coming to your email soon.
