BUILD WEALTH: NEW BENEFITS

WILLABLE REVENUE SHARE

Real's Willable Revenue Share Program will officially launch early 2023 and will offer the ability to provide for your loved ones by designating a beneficiary to receive your revenue share participation in the event of your passing. Note: The beneficiary will not be required to get licensed in order to earn the revenue share.

CO-SPONSORED REVENUE SHARE

Our best talent comes from the recommendations of our agents, and often it's a team effort. To acknowledge this, we will be introducing the ability for two agents to co-sponsor an agent, allowing both to benefit from revenue share.

JOINT VENTURE PROFIT SHARING

The profit sharing program is an opportunity for all agents located within Real Title's operating markets (Florida, Texas, Utah) and California (coming soon) to benefit from the additional revenue opportunities that come from our ability to offer customers ancillary services. Based on the success of the program, it will expand as Real Title enters new markets. The cost to participate starts at just \$100

STOCK PURCHASING PROGRAM ACCESS

Our culture and sense of community is fueled by a common purpose and alignment, which is why we are expanding the ability to buy shares of Real stock beyond the company-issued equity awards. Caps still apply, yet you can buy additional shares within the current system.
