\$1 MILLION RING

One of the most important pieces of LegalShield's recognition program is **THE RING**. Since the program began in 1998, it has honored those who earned a six-figure annual income. Now the program has expanded to also include those who earn \$50K in commissionable income in a 12-month period and are in good standing with the Company. Additionally, the program originally honored four different income levels — \$100K, \$250K, \$500K and \$1 million. Now, the program has expanded to include 12 LEVELS of income — from \$50K to \$1 million! Hundreds of Associates have been honored in the past, earning this symbol of success from LegalShield. Be one of the many who are sure to join the ranks of LegalShield ring earners!
