

Sigma Steel, our high performance thin cast film is designed to easily stretch more than similar products in this category, giving it an ease of use and lock-up feature that will contain your products like nobody's business. Most competitive films are very stiff and do not stretch but we got to thinking, isn't stretch one of the key functions of a stretch film? **Steel stretches and locks, keeping costs down and containment levels up.**

18inch	Product	Length (Ft)	Gauge	Case Weight (Lbs)	Cases/Pallet
	HST181442	1,476'	42	17.9	64
	HST181447	1,476'	47	20.0	64
	HST181452	1,476'	52	22.1	64
310MM	Product	Length (M)	Micron	Case Weight (Lbs)	Cases/Pallet
	HST31060	475	10.7	12.8	80
	HST31070	450	11.9	13.6	80
	HST31080	425	13.2	14.2	80
