POWER COMPANY Florida Power & Light Company SERVICE:  Overhead  Underground  
(Check One)

We, the undersigned General Contractor and Electrician, understand and agree to all of the following:

1. "Early Power" per Section 106.3.2 of the 2001 Florida Building Code is purely for our construction convenience, is not required by Codes, does not substitute for Final Inspections or the C/O (Certificate of Occupancy) that must be issued before occupancy; and
2. **ON COMMERCIAL JOBS ONLY:** St. Johns County requires an Approved "Insulation Inspection" prior to early power energizing and an Approved "Energize Building Inspection" including meter base connections.
3. **ON RESIDENTIAL PROJECTS ONLY:** St. Johns County requires an APPROVED "Insulation Inspection" prior to power and an APPROVED "Meter Can Inspection" including meter base connections.
4. Occupancy or permanent intended use of the new construction **BEFORE** a formal C/O constitutes fraudulent use of the early electric service, is expressly prohibited and penalized by St. Johns County Ordinances, would be a violation of this Agreement and result in a County request for prompt removal of electric service per Section 106.3.3 of the 2001 Florida Building Code.
5. "Early Power" release authority and liability is the Electrician's and must not occur before:
  - A. equipment, devices and fixtures are installed (or blanked off) safely, and
  - B. panel is complete with breakers and cover, and
  - C. service connection and grounding is complete, and
  - D. the electric system has safely passed a thorough electrical check.
6. Any unpaid fees and unsatisfied requirements will block release.
7. This fully completed form is to be submitted to the County as the "Request Release for Early Power" either by hand, mail or fax.
