

Play Policy

All children are entitled to play; it is important to their quality of life and an important part of how they learn and enjoy themselves.

Play is essential for children's development building their confidence as they learn to explore to think about problems and relate to others.

Children learn by leading their own play and by taking part in play which is guided by adults."

At Little Hens Childcare we recognise the importance of play to a child's development. We will never force children to participate in play, but allow children to initiate and direct the experience for themselves.

Facilitating play

We support and facilitate play by:

- Providing an environment which is safe and suitable for playing in.
- The Nursery is set up so that activities are ready before the children arrive.
- Providing a range of equipment, resources and activities on a daily basis, and keeping a record of these to ensure that varied play opportunities are offered
- Encouraging children to request additional or alternative equipment as they choose, and if a request has to be refused, explaining why.
- Not expecting children to be occupied at all times.
- Making outdoor play available every day, unless the weather is particularly bad.
- Involving children in planning activities, to reflect their own interests and ideas.
- Planning activities that enable children to develop their natural curiosity and imagination.
- Allowing children freedom of creative expression, particularly in artistic or creative play.
- Intervening in play only when necessary: to reduce risks of accident or injury, or to encourage appropriate social skills.
- Warning children in advance when an activity or game is due to end.

Play areas and equipment

- All indoor and outdoor play areas are checked and risk assessed daily before the children arrive in accordance with our Risk Assessment policy.
- The Nursery keeps an inventory of resources and equipment, which is updated regularly and reviewed to identify where any additional resources are required.
- Children are involved in selecting additional equipment and resources for use at the Nursery.
- The resources used at the Nursery promote positive images of different ethnic backgrounds, religions, and abilities, in line with our Equal Opportunities policy.
- The Nursery has a selection of fiction and non-fiction books, suitable for all age ranges
