### Family-Owned Sprayer & Supply Store Serving Alabama for Over 20 Years

**PHYSICAL LOCATION: 1412 OLD SCHOOL ROAD • MUNFORD, AL 36268**

Cofield Supply and Service is a trusted provider of high-quality equipment, repair, and materials for pavement maintenance and traffic marking industries. Family-owned and operated, we bring over two decades of hands-on experience in the contractor and sprayer sectors across Alabama.

Our team offers expert service, technical support, and a comprehensive inventory of products – from seal coat supplies and crack sealant to paint machines and pressure washers. We specialize in:

- **Sealcoat & Crack Sealants** (Hot-Applied, Hot Rubber)
- **Crack Sealant Machine Repairs** (Experience across most brands)
- **Paint & Striping Machines** (Sales, Repair, and Service)
- **Thermoplastic & Preformed Thermoplastic Materials**
- **Cold Patch, Mastic & Surface/Structural Aggregates** (50 lb bags)
- **Traffic Marking Products** (Paint, glass beads, stencils, and RPM machine repairs)
- **Pressure Washers & Accessories** (Sales, repair, and diagnostics)
- **Pumps, Hoses, Small Engine Repairs, and Degreasers**

As a **Certified Warranty Repair Center for Titan and Graco**, we also provide non-warranty service on a wide range of sprayer and striping equipment. Whether you're working on a residential driveway or managing large-scale commercial and municipal projects, we make it easy to source the tools and supplies you need – backed by knowledgeable support and fast service.

We offer **free shipping** on many items including pallet quantities, equipment, and special offers. **At Cofield Supply and Service, our goal is to deliver the right product, the right solution, and unmatched customer service every time.**

**SPRAYERS &  
ACCESSORIES**

**PAINT, THERMOPLASTIC &  
SPECIALIZED ASPHALT  
MARKINGS**
