DIFFERENTIATORS

EXPERT LOGISTICS SOLUTIONS

With over 5 years experience in dispatching, heavy hauling, and global freight partnerships, we handle everything from permits to international shipments – **your all-in-one logistics partner.**

PERSONALIZED SERVICE

As a family-owned and operated business, we provide tailored logistics solutions with meticulous attention to detail, offering the personal touch larger competitors can't match.

EFFICIENCY AND SPEED

With strong industry ties and streamlined processes, we navigate permits and carriers swiftly, ensuring on-time delivery.

HIGH-QUALITY, COST-EFFECTIVE SOLUTIONS

Our lean structure keeps costs low, delivering premium service without the premium price.

PROVEN TRACK RECORD

From transporting 30+ large boulders across Florida to managing other complex loads, we deliver results with precision and trust.

At Consulting Service Unlimited, LLC we combine the agility of a small business with the expertise of a large firm. By prioritizing efficiency, reliability, and customer satisfaction, we deliver better, faster, and more cost-effective results than the competition.

Let us help you move your business forward. Contact us today to see how we can exceed your expectations!
