## CAPABILITY STATEMENT

## KEY DIFFERENTIATORS

### UNIQUE EXPERTISE THROUGH LEADERSHIP

RBC is built upon the extensive expertise of its CEO, Ricardo Bailey, who brings over 20 years of active military service combined with a decade of specialized acquisition and logistics experience. Ricardo's background in supply chain management, procurement, and government contracting gives RBC a unique ability to anticipate and fulfill government requirements precisely.

### PROVEN ACQUISITION EXCELLENCE

Under the leadership of Ricardo Bailey, a DAWIA Level III certified contracting expert, RBC offers a comprehensive understanding of Federal Acquisition Regulations (FAR) and Defense Acquisition Regulation Supplement (DFARS), including contracting, from market research and solicitation to award and contract administration.

### EFFICIENCY AND RESPONSIVENESS

RBC's operational philosophy emphasizes efficiency and rapid response, values shaped by our hands-on experience managing urgent missions such as SOCOM's response to Hurricane Ian and COVID-19 relief efforts in Europe. RBC applies this experience to deliver better, faster solutions, ensuring clients receive timely support, regardless of the complexity or urgency of the requirement.

### GLOBAL OPERATIONAL READINESS

Ricardo's experience supporting military and government missions globally—across Latin America, the Caribbean, Africa, and Europe—ensures that RBC can provide effective contingency contracting and logistical support in any environment.

### EFFICIENT USE OF RESOURCES AND COST SAVINGS

RBC leverages Ricardo's strategic sourcing methods, such as integrating SOCOM's Amazon business for rapid procurement. These innovative approaches minimize costs and reduce procurement timelines, translating into cost-effective solutions for RBC's clients while maintaining high quality and compliance standards.

### LEADERSHIP IN ACQUISITION AND DEVELOPMENT

The company embodies a culture of expertise, continuous learning, and leadership, ensuring its team is always prepared to deliver exceptional client results, avoid common pitfalls, and maximize efficiency and quality.

## WHY CHOOSE RBC

RBC's foundation is rooted in Ricardo Bailey's experience delivering mission-critical solutions under challenging conditions. This experience informs RBC's ability to **operate globally, respond efficiently** to complex requirements, and provide clients with **reliable, cost-effective solutions** that ensure the highest quality outcomes.

**RBC delivers with the speed, precision, and strategic foresight needed to successfully navigate government contracting and support government missions effectively.**
