# CAPABILITY STATEMENT

We are a high-quality steel erector with an emphasis on safety! We have 70+ years of experience in the management team.

**Jorge Amador** purchased the existing company in 2015. He has over 30 years experience in structural steel fabrication and installation.

**Jeff Justice**, our Superintendent, is a Union Ironworker who has been working in the steel industry for over 40 years and has held the role of General Superintendent at Hodges for the last 20.

Hodges Erectors has the advanced AISC steel erector certification with the bridge and decking endorsements. We are also a PCI member and a certified Precast erector. We work primarily in the tri-county areas of Miami-Dade, Broward and Palm Beach, and our Precast work has taken us throughout the state of Florida.
