

CAPABILITY STATEMENT

challengetechinc.com
store.challengetechinc.com

Challenge Innovation Technology, Inc. has been a trusted partner; providing organizations with the expertise needed to chart a successful, strategic course towards the next-generation IT systems that will best support your company's business goals. Whether you're exploring virtualization or cloud solutions, undertaking a network refresh, implementing new applications at the desktop, or tackling system upgrades, turn to Challenge Innovation Technology, Inc. for deep industry knowledge and best-in-class service, support, and procurement.

As a BBB Accredited business, Challenge Innovation Technology, Inc is listed as a trustworthy business that has operated with A+ rating integrity and excellence from 2014 to present.

CORE COMPETENCIES

Our technology experts and business professionals analyze, research, design, and implement solutions in multiple areas:

CUSTOM STRATEGY | Advanced technology solutions tailored to meet specific business needs.

INFRASTRUCTURE MANAGEMENT | Expertise in various IT services, including network management, cybersecurity, and cloud services.

TECHNICAL SUPPORT | Proven track record of successful technology implementations and ongoing support.

CORE COMPETENCIES

In addition to our technological expertise, CIT excels in procurement services.

IT SOURCING | Comprehensive IT hardware and software procurement services to support your organization's long-term goals.

COST OPTIMIZATION | Strategic vendor management to ensure the best value and quality for your purchases.

ASSET MANAGEMENT | Lifecycle management to maintain efficiency and keep your IT infrastructure up-to-date.
