

Our mission is to please our clients with our services, no matter the size of the project.

CAPABILITY STATEMENT

CORE COMPETENCIES

Victoria Hopps, the president, has been in the construction industry for over 12 years. She has extensive experience working on a variety of projects, such as schools, airports, and military bases to name a few. During the entire process of a project, from inception through development and construction, we stand side by side with our clients. We provide earthwork, underground utility services, demolition, site development, vertical construction, and hauling. As a Certified General Contractor, our trades are self-performing on a highly professional and integral level.
