CAPABILITIES STATEMENT

COMPANY OVERVIEW

BBC Solar is a certified Women-Owned Small Business (WOSB) Small Disadvantage Business Enterprise (SDBE), Small Business Enterprise (SBE), Jacksonville Small Emerging Business (JSEB) and Section 3 Certified company headquartered in Jacksonville, FL. We specialize in Industrial, Commercial, Federal, State and Local Government custom turnkey solar energy systems, battery backup solutions and solar outdoor led lighting solutions. Our team has 10+ plus years of sales, marketing, project management, design, engineering, construction and installation experience.

CORE COMPETENCIES

BBC Solar educates the community how not to rely on the electrical grid and to become self-sufficient. We help by implementing various type of customized systems based on our clients' needs. Our solutions assist in solving security issues, rising energy and fuel costs.

The industries that we target are:

- Industrial
- Commercial
- Municipal Government
- State Government
- Schools
- Federal Government
