CAPABILITY STATEMENT

MCO is a construction management company dedicated to providing the right people on the right projects to ensure its success.

For over 30 years, we have delivered quality service while building lasting relationships throughout the industry. From design to build, we help our clients win work and complete projects on time, within budget and in compliance.

CORE COMPETENCIES

MCO works with project owners, program managers, construction managers, primes and developers in CONSTRUCTION MANAGEMENT for public and private projects, with the following specializations:

- Estimating
• Scheduling
• Project Management
• Compliance
• Outreach
• Administrative Support
• Cost Control
• Owner Direct Purchase

DIFFERENTIATORS

MCO works with Engineers, Architects and Construction Managers to provide cost control support services in the fields of Transportation, Utilities, Education and Health to Government Agencies and Prime Contractors. Services start from Pre-bid phase to Post Construction phase.

From Pre-Construction to Post Construction, MCO uses the best office and on-the-field personnel to add value and provide dedicated services to the clients.

PAST PERFORMANCE

MCO's performance has been demonstrated through the success of providing construction management services to agencies such as Miami Dade County, Miami International Airport, Tampa International Airport, School District of Palm Beach County, School Board of Broward County, Palm Beach County Water Utilities Department, Jackson Health Systems, and Florida Department of Transportation.
