SUPPLY | FABRICATION | MANUFACTURING

QMF Steel, Inc., supplies, manufactures and fabricates aluminum, stainless and steel products for use in transportation, aerospace, hospitals, commercial food plants, military bases and distribution centers. We resource all materials from mills that meet the stringent Buy American guidelines. The 24+ years of aluminum, stainless and steel experience and the expertise to manufacture and fabricate makes our company a valuable asset to your team. If it's made of metal, then we supply it, fabricate it, and deliver it.

Core Competencies

Metal Supply

Fabrication

Manufacturing

Differentiators

- ◆ QMF has a full-line of state-of-the-art equipment to manufacture the component parts used by our certified welders to fabricate, assemble and weld the products made for heavy highway, light rail, bus, van and work boat.
- ◆ We've built an in-house team of trained machine operators and certified welders to ensure we meet the customer's expectations.
- ◆ QMF is ISO9001:2015 and AISC Quality Certified.
