

**Ricky**  
**Plumbing**

# CAPABILITY STATEMENT

## WE ARE A COMMERCIAL PLUMBING CONTRACTOR.

Ricky Plumbing specializes in **build-outs, design build, additions, and remodels of commercial projects.** We work across various market sectors, including **medical facilities, educational facilities, municipal buildings, restaurants, transportation/airport and public works projects.**

Ricky Plumbing uses BIM (Building Information Modeling) and VDC (Virtual Design and Construction), in addition to implementing Value Engineering to evaluate how a product can better serve its customers, how value can be created, and costs can be minimized.
