CAPABILITY STATEMENT

PSYCHOLOGICAL, EDUCATIONAL & MENTAL HEALTH SERVICES

Sound Mind Services, LLC is an economically disadvantaged woman and minority owned business that has been providing leadership in Special Education since 1999 implementing student programs and supports for learners with diverse and highly individualized needs. Sound Mind Services help typical and atypical individuals reach academic and emotional autonomy.

Sound Mind Services is fully ready to serve with the following capabilities:

- ✓ Administer standardized physical or psychological tests.
- ✓ Interpret research or operational data and prepare scientific or technical reports or presentations.
 - ✓ Design psychological or educational treatment procedures or programs.
- ✓ Design, implement, and evaluate a comprehensive range of interventions for students at risk for academic, social-emotional, or mental and behavioral health concerns.
- ✓ Provide a comprehensive range of services that enable schools to implement comprehensive systems of student support, improve school and district effectiveness, and support improved outcomes for all students.
 - ✓ Counsel clients on mental health and/or personal achievement.
- ✓ Facilitate collaboration and coordination between the home, school, and community providers to promote student success.
