

# TRANSPARENT SOLUTIONS CORP

— FOR ALL YOUR BUILDING NEEDS —

## CAPABILITY STATEMENT

**Transparent Solutions Corp.** is a trusted electrical contracting company specializing in delivering **safe, efficient, and high-quality electrical solutions for commercial, industrial, and residential projects.**

Guided by a commitment to integrity, innovation, and customer satisfaction, we offer dependable services tailored to the unique needs of every client. Our team of certified electricians and experienced project managers ensures **excellence at every stage**—from initial design to final installation.

### CORE COMPETENCIES

#### COMMERCIAL ELECTRICAL CONTRACTING

Comprehensive electrical services for office buildings, retail spaces, and new construction projects.

#### INDUSTRIAL ELECTRICAL SERVICES

Power distribution, control systems, and ongoing maintenance for industrial and manufacturing facilities.

#### RESIDENTIAL ELECTRICAL INSTALLATION

Safe, code-compliant wiring, lighting, and panel upgrades for single- and multi-family homes.

#### ENERGY-EFFICIENT LIGHTING SOLUTIONS

LED retrofits, smart lighting systems, and advanced lighting controls designed to reduce energy costs.

#### EMERGENCY & BACKUP POWER SYSTEMS

Installation of generators, transfer switches, and complete backup power solutions.

#### EV CHARGING STATION INSTALLATION

Certified installation of electric vehicle charging infrastructure for residential and commercial properties.

### PAST PERFORMANCES

- **Miami Shores – Miami, FL**  
Provided complete electrical wiring and system installation for a newly constructed 12,000 sq. ft. multi-tenant office building. Services included **main service installation, interior/exterior lighting, dedicated circuits, and structured cabling for IT infrastructure.**
- **Commercial Building – Opa Locka, FL**  
Performed electrical upgrades and rewiring for a multi-unit retail complex undergoing major renovations. Work included **LED lighting retrofits, new service panel installation, tenant sub-panel setup, and code compliance corrections.**
- **Private Residence – Cutler Bay, FL**  
Delivered full-scale electrical services for a 6,100 sq. ft. high-end residential home, including **whole-home rewiring, smart lighting systems, panel upgrade, and integration of a backup generator system to support essential loads.**

### DIFFERENTIATORS

At Transparent Solutions Corp., we stand out through reliability, responsiveness, and integrity. By combining technical excellence with a customer-first approach, we consistently deliver high-quality electrical solutions—on time and on budget.

#### TRANSPARENT PRICING & COMMUNICATION

No hidden fees, no surprises. We provide upfront estimates and maintain clear, open communication throughout every project.

#### EFFICIENT, SKILLED WORKMANSHIP

Our licensed electricians are highly trained, delivering faster turnarounds without compromising safety or quality.

#### CUSTOMIZED SOLUTIONS

We tailor every system to the specific needs of each residential or commercial project—never a one-size-fits-all approach.

#### BEYOND CODE COMPLIANCE

We exceed industry standards to ensure every project is safe, efficient, and built to last.

#### TRUSTED CLIENT RELATIONSHIPS

Referrals drive our business—proof of our consistent quality, professionalism, and respect for our clients' time and property.
