COMPANY OVERVIEW

Shermez Logistics LLC is a Marine Corps veteran and family-owned transportation brokerage specializing in the local and nationwide transport of boats, vehicles, and heavy equipment.

Leveraging over 30 + years of combined Marine Corps aviation supply experience, we provide reliable estate transport and government logistics support with precision, discipline, and care.

CORE COMPETENCIES

- Specialized Vehicle & Marine Equipment Transportation
- Heavy Equipment & Agricultural Freight Handling
- Estate & Inherited Asset Transport Logistics
- Government-Focused Transportation & Vendor Support

DIFFERENTIATORS

- 30+ Years of Combined Military Aviation Supply Chain Experience
- Estate Transport Specialists - Handling Sensitive Inherited Assets
- Fully Licensed & Bonded for All Freight Classifications

PAST PERFORMANCE

Contributed to military aviation logistics by processing supply requests and coordinating shipments to support aircraft readiness. That foundation now drives our commitment to reliable auto transport, estate logistics, government transport, and maritime coordination — grounded in service and trust.
