IN THE NEWS!

Look Good, Feel Better, Build Great: Developing Better Workwear Options for Women in the Skilled Trades

With women workers in the skilled trades continually increasing, shouldn't their workwear options be increasing also?

[READ MORE](#)

Is a Customized Umbrella Insurance Policy Right for Your Construction Company?

Don't put all your eggs in one basket—but it might be best to put all your insurance policies under one umbrella, especially when it comes to the intricacies of construction.

What to Do With That AI-Extracted Data

While historically hesitant to adopt new technologies, construction project managers stand to gain significantly from AI's capabilities. Project managers are often managing disparate data from multiple sources, making it difficult to identify high-priority items.
