If your child has any medical needs which require coordination with the ELC, please speak with the ELC Supervisor to develop an individualized plan.

Parent General Agreement

The parent will comply with the agreed upon days and hours of child care, based on the enrolment schedule.

The parent will ensure that the child arrives and is picked up at the agreed upon time. Parents will be charged \$5.00 for every block of 10 minutes the child arrives early or is picked-up late, unless special arrangements have been made with the ELC Supervisor.

The parent agrees to provide the ELC a minimum of two weeks written notice of ANY scheduling changes. The parent agrees to sign a new enrolment schedule when changes occur by the last week of the current month for the upcoming month.

The parent will ensure that all information in the child's file is kept up to date. The parent will inform the school **in writing** (e.g. by email), of any changes (e.g. immunization, home addresses, phone numbers, marital status, health conditions).

The parent will ensure that the ELC has a clean change of indoor clothing for each child and appropriate outdoor clothing at all times. **The parent is responsible to label the child's items and understands that the ELC is not responsible for any lost/stolen/damaged items.**

The parent agrees to ensure that the ELC has an adequate supply of diapers, wipes and creams if the child is not fully toilet trained.

The parent agrees that the child is not to attend the ELC if he/she has a communicable disease, infection, or serious illness. The parent will inform the ELC if the child has a communicable disease, and will present a doctor's note stating that the child is free of communicable disease before the child returns to the ELC.

The parent agrees to inform the ELC **before 10:00 a.m.** if the child will be absent or late. Please call the office at 705-522-1649 and leave a voicemail message or email the ELC supervisor at kelly.ingram@scacademy.ca

The parent understands that it is the staff's professional obligation to contact Children's Aid Society (CAS) in cases where:

- There is suspicion or allegation (even unfounded) of child abuse.
- The child has not been picked up after one hour past closing time.

The parent agrees to advise the ELC when unavailable in case of emergency, and agrees to provide the ELC with the name and phone number of an alternate person who will be available to pick up the child if necessary.

The parent agrees to discuss the child's progress with the appropriate staff person. The parent is encouraged to communicate openly with the supervisor regarding the care provided for his/her child.

The parent agrees to undress the child in the cubby room and walk the child to their classroom and ensure that a staff member is aware of the child's arrival.

The parent agrees to give the ELC at least two weeks written notice of termination. In the case of no notice given, the parent understands that full program fees will be invoiced for the two week notice, even if the child doesn't attend.

The parent agrees to pay all invoices in full by the due date. The invoices will be given out during the first week of the current month. The parent understands and agrees that invoices will ...

- Be based on the child's enrolment schedule for the current month.
- Include fees for statutory holidays in which the child would normally attend according to their schedule.

The parent understands that if the invoice is not paid in full by the date due, termination of child care will occur within 10 business days.

The parent agrees that the child may be discharged if:

- A disruption of attendance has a negative impact on the child or the program.
- The needs of the child cannot be met by the ELC as determined by ELC management.

The parent understands that failure to comply with this agreement will result in the child being discharged from the ELC.

The parent understands and agrees that this agreement is effective until further notice.

I, the undersigned, hereby certify that I have read, understand and will abide by the above mentioned conditions AND the policies & procedures as outlined in the ELC Parent Handbook.

Daily Reports

We use a very exciting mobile application called HiMama <https://www.himama.com/> to produce realtime daily reports on your child's day. This app is very secure and childcare friendly, providing valuable information and communication to you about your child's day at the Early Learning Centre (ELC). A daily report of your child's activities will be sent home via provided email addresses and through the app.

Your consent is required to allow the ELC educators to post photos and videos of your child playing and interacting alongside other children to the HiMama portal. Be aware that any of the photos or videos of children playing and exploring may be shared with current ELC families who have signed this consent form to receive notifications about their child. All of the information we submit is stored in the HiMama portal.

Note: By giving your consent you agree not to share photos or videos of any child, other than your own, outside the HiMama Program.

If two email address are to be added to the HiMama portal, then each person wishing to receive notifications **must** sign the consent form and agree not to share any pictures or videos of any other children.

Keyholder Agreement

Each SCA family will be issued up to a maximum of three keys for the purpose of dropping off and picking up their child. These keys will only be operational during regular hours. The name(s) of keyholder(s) will be recorded and retained by Sudbury Christian Academy (SCA) and each person will agree to the terms of use before receiving a key.

Key may not be transferred at any time to any person other than the registered keyholder. If the keyholder wishes to change who holds the key, the SCA office must be informed and a new agreement signed for the new keyholder.

Students may not sign as keyholders or be in possession of an SCA passkey. Keyholders may not loan their key to a student, a minor, or to any other individual.

A deposit of \$10 will be given to SCA for the use of each key. This deposit will be returned to you at the withdrawal of your child from the school if and when the keys are returned.

In the case of a lost key, it must be reported immediately to the SCA main office. An additional \$10 will be required to replace it. This \$10 will be used for the cancelling of the old key and the issuing of the new one. This will not increase the deposit returned at your child's withdrawal. Unfortunately, due to limited availability, there will be no more keys available after a replacement key has been issued.

Passkeys will work at the main doors (reserved for visitors, short term parking, and ELC families) and at the west entrance (for elementary families).

If an approved family member or friend without a key is dropping-off or picking-up your child, you may not loan them your key. They can ring the doorbell or call the main office (705-522-1649) to be let in.

Toddler & Preschool Drop-off & Pick-up Procedures

Drop-off Procedures

In the summer, apply sunscreen to your child before bringing them to the centre. Bring your child into the classroom and undress them, putting away his/her outside apparel in his/her cubby.

Put on his/her inside shoes, and drop off your child with his/her educator. It is not necessary to sign your child in, but make sure the educator knows that they are now in the classroom.

At the beginning and end of the day, the preschool and toddler rooms are combined due to low numbers in attendance. The children may be in either of the two rooms.

It is in the best interest of your child that you say goodbye to them. Sneaking out when they are not looking can cause confusion for your child. Similarly it is normal for your child to cry while adjusting. The educators are well equipped to help your child calm down and enjoy the rest of the day.

Pick-up Procedures

Depending on the time of your arrival, your child may not be in their usual room at pick-up time. Check the door of the classroom if they are not in the room.

Check your child's cubby in the classroom for any artwork, notes or soiled clothing. Often there is important communication sent to you in his/her cubby.

Bring your child to the cubby room and dress them to go home. Make sure his/her inside shoes are in his/her cubby.

First Day Checklist

- Change of clothes
- Inside shoes
- Diapers, wipes, and diaper cream (if applicable)
- Small blanket to be left here (they are washed regularly)
- Soother (if needed)
- Special dietary requirements (ex: soy milk)
- Appropriate outside clothing
- Seasonal Hat (important)

For the Office

- Enrolment forms
- Immunization record
- Pass-key agreement and deposit

Please note: We prefer that you leave your child's toys at home. There are many different toys here for your child to enjoy while participating in our program.

Important: Please label all of your child's/children's things before bringing them to help us keep your child's/children's belongings together. We are not responsible for any lost items.

Consent for Consultation

Child Community Resources (CCR) is a non-profit community agency that supports good quality of life for children in the early years. The Applied Behaviour Analysis (ABA) team, a department of CCR, facilitates the inclusion of all children in licensed Early Learning and Child Care (ELCC) programs through a team of trained consultants. Their role is to provide consultation to program staff that will support the participation of all children in the program.

As part of the relationship with your child's program, consultants work with the ELCC program by:

- consulting to program staff to increase overall knowledge and expertise;
- providing consultations and strategies to program staff for children experiencing needs and for group needs;
- completing regular on site consultation days;
- interacting with all staff and children in the program;
- supporting program staff in completing developmental screenings;
- observing the environment and providing written recommendations;
- providing information and resources on child development;
- assisting the program in connecting with other specialized services and agencies;
- assisting with entry to an ELCC program as deemed necessary.

Should you require additional information on the services offered by the Community ABA Services team, please do not hesitate to discuss with the program supervisor or staff. The staff of your child's program will share information with you regarding your child's development, the role of the consultant and discuss with you further a referral for direct services should the need arise.

Child's Name	Date of Birth (MM/DD/YY)
Program Name	Program Staff

Note: *The parent may withdraw consent at any time. Valid only until child is withdrawn / discharged from the ELCC program.*

Limited-identifying information will be collected for statistical purposes.

As a result of a consultation, a referral for a brief behavioural consultation may be discussed with you.
