# ***Walking Through Life Together***

*Sometimes we are the ones carrying the load, and sometimes we are the ones being assisted. Both are part of God's design for His church.*

One of the greatest blessings of belonging to a Church family is knowing that we do not have to walk through life's challenges alone.

Many of us have spent years helping others. We bring meals, offer rides, make phone calls, send cards and pray for those who are hurting. Yet, when we find ourselves facing and illness, surgery, injury or a difficult season, we are reluctant to accept help ourselves.

The truth is that receiving help can be just as important as giving it.

When we allow others to serve us, we give them the opportunity to live out their faith and express Christ's love in a tangible way. The Bible reminds us to 'carry each other's burdens' (Galatians 6:2)

No one should have to face life's challenges alone. After all, that's what family is for.

If you or someone you know could benefit from any of these services, please contact the Church office at (727) 600-8279 or via email at [northbay1982@gmail.com](mailto:northbay1982@gmail.com).

We would be honored to walk alongside you.
