School Days School Days

School begins again in 2 weeks. Each year we donate school supplies to schools with a high percentage of low income families. This year we will be collecting supplies for McMullen Booth Elementary school, Calvin Hunsinger school, a school that deals with behavior problems. They have a Positive Behavior Reward System where good behavior earns points that become school money which can be used to buy things at the school store. The school store has such things as individual size snacks, juice boxes, granola bars and microwave popcorn bags. This year we added our Children's Sunday school. On Sunday, July 26 and August 2, we will be asking everyone to bring in school supplies and those items needed at the school store. A list of the items needed are listed here. Every child deserves to have all the things needed to do well in school. Be blessed in your giving.
