

July Tides

NBCC Family,

As we enter the chilly month of July

(🤔😬😓💧😓) let's remember to check-in on those that concern us during the sweltering days ahead. Thank you, ahead of time, for the outpouring support for the air conditioning fund drive that takes place July 6th. A SPECIAL thank you to the anonymous sponsor who came forward offering to match the first \$10,000 raised. I look forward to reporting the final figures at Church on July 13th. Right along with the weather, things are heating up at North Bay! Incredible community mission work recently with Bonnie Spears, Cindy Henningsen and their committee of amazing volunteers. The 43rd Anniversary Celebration led by Cathy Good and the Fellowship Committee was a time to remember. All of the efforts from members, current and past, have led to 43 years of love, fellowship, and most importantly establishing a sacred church spreading the word of God. The Pastor Search Committee, led by John Meister, sifted through over 80 applications, interviewed over 10 candidates (total of 17+ interviews), and recommended Pastor Brooks Gibbs as our next Pastor. Thank you John, and your entire committee, for hours and hours of time and prayerful consideration in this successful process. I would also like to thank Pastor Bill Wilson, Pastor Anthony Randall, and Pastor Eric Bargerhuff for preaching exactly what we needed to hear during the months of May and June. We, very much, appreciate you and are so thankful to our Lord and Savior for placing you with us during our time of need. Lastly, we thank the Holy Spirit for the guiding hand and love that has been bestowed upon our church and congregation. Without you, NOTHING is possible!

Blessings to You All,

Dan White

School Days School Days

School begins again in 6 weeks. Each year we donate school supplies to schools with a high percentage of low-income families. This year we will again be collecting supplies for McMullen Booth Elementary school and Calvin Hunsinger school, a school that deals with behavior problems. They have a Positive Behavior Reward System where good behavior earns points that become school money which can be used to buy things at the school store. The school store has such things as individual size snacks, juice boxes, granola bars and microwave popcorn bags. On Sunday, July 20 and 27 and August 3 we will be asking everyone to bring in school supplies and those items needed at the school store. A list of the items needed are listed here in the Tides. Backpacks are always appreciated by Clothes to Kids. Every child deserves to have all the things needed to do well in school. Be blessed in your giving.
