## What to bring!

- Any artwork that you've created to enter into the Random Contest, Art Gallery, or Baking Contest (one entry in each contest per person).
- If you have dietary restrictions it might be best to at least bring a few snacks that you can have, just in case.
- Take photos of your really cool Neopets collection - it'll make your stories way more fun if you can show your new Neofriends your plushies, artwork, costumes, and games!
- Bring any Neopets merch that you want to trade - especially those blind box dups and extra Neopets Battledome TCG cards (put these in a separate "trading" binder)!
- Bring ALL of your basic colour Neopets from the Neopets Battledome TCG! We'll need them!
- If you don't want to lug around your laptop - make sure to have your Neopets account signed in on your phone or via the Neopets Companion App! You will want to connect with your new NeoFriends!
- Create a list or spreadsheet on your phone with all of the Neopets merch or Neopets Battledome TCG Cards that you are missing and would like to get for your collection! **NeoMerch.com is great for this!**
- Wear comfortable shoes, clothes, and a comfy bag. Pack your essentials!  
**Please understand that everything you bring must be strictly family friendly.**
