

Contemporary Family Home - Buckinghamshire

Private Client

HollandGreen Architecture & Interiors

Addition of 2 storey matching rear gable, contemporary glazed side extension, new adjoining garage. New contemporary kitchen/living/ dining area and full refurbishment throughout. Landscaping design by others.

Whilst working with HollandGreen, I was lead architect on this project, taking the Clients from initial design meeting to completion on site in summer 2018.

I had full responsibility for the design, planning and detailing of the project and acted as Contract Administrator throughout the build phase.

The outcome is a beautiful, contemporary addition to the house and the Clients were delighted with the final product.

Refurb of and extension to Family Home - Oxford

Private Client

HollandGreen Architecture & Interiors

Addition of timber clad side/rear extension replacing garage. New contemporary kitchen/ dining area and full refurbishment throughout house.

Whilst working with HollandGreen, I was lead architect on this project, taking the Clients from initial design meeting to completion on site in summer 2018.

I had full responsibility for the design, planning and detailing of the project and acted as Contract Administrator throughout the build phase.

The outcome is a beautiful, open plan kitchen opening out to the garden and a great new study space in the extension. The Clients were delighted with the final product.

Refurb of and extension to Listed House - Oxfordshire

Private Client

HollandGreen Architecture & Interiors

Addition of traditional style rear extension incorporating dining room and adjoining kitchen. Refurbishment throughout house.

Whilst working with HollandGreen, I was lead architect on this project, taking the Clients from initial design meeting to completion on site in spring 2017.

I had full responsibility for the design, planning and detailing of the project and acted as Contract Administrator throughout the build phase.

The outcome is a beautiful, open plan kitchen with vaulted dining space opening out to the garden. The Clients were delighted with the final product.

Kitchen Extension - Oxford

Private Client

HollandGreen Architecture & Interiors

Addition of contemporary, zinc clad kitchen extension

Whilst working with HollandGreen, I was lead architect on this project, taking the Clients from initial design meeting to completion.

I had full responsibility for the design, planning and detailing of the project and acted as Contract Administrator throughout the build phase.

The outcome is a beautiful, open plan kitchen / dining space opening out to the garden. The Clients were delighted with the final product.
