2019 Summer Reading Program at Barneveld Public Library
(Kids, Teens, and Adults)

Read fun books! Join us for cool summer programs! Win great prizes!

Registration

Please register at the library at any time. You can register today! There is a Kids program (Age 0 – Grade 6), a Teen program (Grade 6 – 12), and an Adult program (18 or older).

How it works

The official summer program goes from Friday, July 5 – Thursday, August 22. Friday, June 5 is the first day that reading slips can be turned in and Saturday, August 24 is the last day that slips can be turned in. Final prize winners will be notified the last week in August. Reading can take place at the library, at home, or anywhere you wish!

Kids

For every hour of reading (including time that you are read to), you fill out a reading slip and turn it into the "Kids" box at the library. We pull names from these boxes for the on-the-go prizes. All the slips are put into a final drawing box for final prizes.

*Please turn the first reading slip (PURPLE) in to us at the desk at the library. It's an automatic prize winner!

Teens

For every 100 pages of reading, fill out a reading slip and turn it into the "Teens" box at the library. We pull names from these boxes for the final prizes.

*Please turn the first reading slip (PURPLE) in to us at the desk at the library. It's an automatic prize winner!

Adults

For every book that you read (or listen to), you fill out a reading slip and turn it into the "Adults" box at the library. We pull names from these boxes for final prizes.
