To earn a Valentine's Day treat. . .

**Correctly match all 10-word headlines with their titles**

OR

**Correctly complete all the loving couples**

If you complete the entire challenge correctly, you can earn a second treat to give to your sweetheart (or to keep for yourself – we won't tell) or request a short on-the-spot singing Valentine from your library director!

**Directions:** Write the number of the matching headline in the blanks in front of the titles below. Then complete the missing half of the lovebirds (first names are OK – no points off for misspellings)
