About us

We are excited to announce that our premium salt-free shampoo line, "SOCHY," is now available for order. The SOCHY line comes in three convenient sizes: 1000ml, 500ml, and 250ml, all equipped with pump lids for easy and efficient dispensing. Formulated without salt, SOCHY is perfect for maintaining the health and vibrancy of your hair, especially after treatments such as keratin or colour processing. Unlike traditional shampoos that often contain salt, which can strip your hair of natural oils and cause dryness, SOCHY preserves moisture and promotes overall hair health. To place your order, or if you have any questions, feel free to reach out to us.
