COMMUNITY PANTRY PROJECT

The Community Pantry provides meals every Wednesday from 5pm – 6pm. The Pantry is located at Narrabeen Shark's Club House (cnr. Pittwater Rd & Lake Park Rd, North Narrabeen, opposite Narrabeen High School). We provided a grant to assist The Community Pantry in purchasing a fridge, movable work top and speakers, and barbeque, to continue their work in providing this service to the local community in need.

Gotcha4Life

Gotcha4Life is a not-for-profit foundation with a goal of zero suicides, taking action by delivering mental fitness programs that engage, educate and empower local communities. Their programs create meaningful mateship, build emotional muscle, and strengthen social connection in local communities. They focus on early intervention and the power of prevention through connection because we know we are all stronger, together. Gotcha4Life was established as a not-for-profit foundation by media person

BUILD YOUR FUTURE TODAY

We work with the international charity Build Your Future Today (BFT) to help create a sustainable infrastructure and conduct health, and education programs, in Cambodian villages. In Chub Smach, we have financed the drilling of clean water wells, greatly reducing the level of water-borne diseases.

SOIBADA

We partner with Pittwater Friends of Soibada to support projects to help East Timor village of Soibada to achieve a sustainable future.
