

NecTr Athletics

2025–2026 Sponsorship Opportunities

Rudy Washington, Club Director
Christy Marfil, Assistant Director
Mysha Dunlap, Club Administrator

Dear Community Partner,

At NecTr Athletics, our mission is simple: create opportunities for young athletes to grow in skill, character, and confidence while gaining exposure that can lead to college scholarships. We don't just train athletes—we mentor leaders and give every player a chance to thrive on and off the court.

Volleyball continues to be one of the fastest-growing sports in the country, and families invest heavily in training, travel, and competition. However, these costs can often be a barrier for players who have the talent and drive but not always the financial resources.

That's where your support comes in.

By partnering with NecTr Athletics, you help us:

- Provide access to competitive tournaments that attract college recruiters
- Keep training and facility costs affordable for all families
- Supply uniforms, equipment, and resources to ensure every player feels prepared
- Support community service projects like our BeeLinked: The Little Hive Initiative, or our Grassroots Program, which pairs older athletes with younger players to build mentorship and belonging

When you sponsor NecTr, you're not just putting your name on a banner—you're investing in real futures. Together, we can open doors for athletes who will carry these lessons into college, careers, and life.

As a registered nonprofit organization, your sponsorship may be fully tax-deductible. We're happy to provide a donation receipt and any documentation your business may need for tax purposes. It's a great way to give back to the community while also gaining visibility and goodwill.

We've created sponsorship levels to fit a variety of organizations, and we're also happy to design custom partnerships that align with your goals and values. Thank you for considering making an impact with us.

With gratitude,
NecTr Community Athletics
