"During the time I've known Anita, she has not only surprised but shocked me and others with her intuition. The biggest yet pleasant shock happened when I introduced her to my girlfriend on our second date. When I asked her what she thought of my new girl, Anita told me "You're going to marry her, have two sons, have a house in the country (which she described) and you will be very happy". It still brings tears to my eyes to think of how true that has been.

It can be unsettling when someone you don't know, can read you like a book, but that's Anita. I kept coming back because underneath all the truths that she was telling me was a genuine affection and caring for me. A caring she shows all her fellow human beings.

She has a genuine talent and more importantly a genuine love for people. I love her heart and you will too, but love is honest and honesty can hurt. Are you ready for that?"
