

Dear Lake County Opioid Initiative Members,

I'm writing to share details about our upcoming **LCOI meeting**, which will be held on **Friday, June 27th from 9:00 AM to 10:30 AM**. The **location is currently being finalized**, and we will follow up with details and a calendar reminder shortly.

This meeting marks an important moment for our initiative. As we move through a period of leadership transition, the **LCOI Board has been actively working to evaluate and reimagine** how we can be most effective in supporting both our members and the broader Lake County community.

With that spirit in mind, we are proud to introduce our new theme for the year: **Reset. Rebuild. Recover.**

This theme reflects our renewed commitment to meaningful collaboration, sustainable change, and community healing. As part of this vision, we are seeking **your input** to guide our priorities moving forward.

In preparation for our meeting, we ask that you review and **rank your level of interest in specific topics and initiatives**. Your input will directly inform how we shape our focus areas and working groups.

Additionally, we'd appreciate your **feedback on the timing and frequency of our meetings** to ensure they are as accessible and productive as possible for all members. To voice your thoughts on both areas, please fill out the attached [Microsoft Form](#) by June 1.

Your voice matters—and your continued engagement is what drives the strength and success of this initiative. We look forward to connecting on June 28 and to charting our course forward, together.

With appreciation,  
Jennifer Banek, MSN, MHA, CRNA  
**Chair, Lake County Opioid Initiative**
