Financial Well-Being Post-MBA
with Lena Perepelova

Commitment with a life-long impact:

- ☐ Create a system to maintain control of your finances
- ☐ Design your financial strategy to fit your personal goals
- ☐ Learn what you need to know about investing
- ☐ Start investing following your strategy
- ☐ Incorporate regular wealth management habits into your life

Which **transformation** can you expect as an outcome of the program?

- ✓ You'll gain a newfound confidence in handling money and financial matters
- ✓ You'll prioritize your financial well-being and recognize its significance
- ✓ You'll proactively take steps towards achieving a more balanced financial state
- ✓ Over time, you'll witness tangible improvements in your financial outcomes
- ✓ You may attain clarity regarding your future career aspirations, employer preferences, salary negotiations, or setting prices as an entrepreneur
- ✓ You might feel prepared to embrace new lifestyle choices
- ✓ As needed, you'll alleviate any financial anxiety you may have
- ✓ Ultimately, you can anticipate fewer conflicts with your partner related to finances

How does it work?

- ✓ Structured approach: quarterly meetings following “Knowledge, Mindset & Habits” methodology
- ✓ 60- 90 min meetings to evaluate your progress and define personalized goals for the upcoming months
- ✓ Individualized learning materials and tools to continue your financial journey outside of our meetings.

What are the program **deliverables**?

Throughout this program, you'll embark on a journey to craft your personalized financial plan and design a robust financial strategy. Moreover, you'll develop practical tools to track the growth of your assets. Learning about various investing strategies, you'll gain valuable insights into assessing the profitability of different alternatives, empowering you to make informed investment decisions.

Each personal goal is different, so flexibility is key and we will address your individual needs and concerns. Whether you need guidance in evaluating job offers, understanding their financial implications, or cultivating new financial habits, we've got you covered.

What is the **length** of the program?
The program length is 24 months and includes 8 meetings. More meetings can be purchased on-demand.

What is the **cost** of the program?
€100 per trimester for the first year students
€125 per trimester for the second year students
€150 per trimester for employed professionals
