The Arif Law Firm provides tailored legal counsel to its clients in the field of **immigration** in France, **acquisition or establishment of a company in France and / or subsidiary**, acquisition of **real estate in France** and dealing with **inheritance, wills, and estate issues** when a client, based in US, has some piece of estate in France. Our law firm strives to offer the **best legal services and is ready to accompany any of its client in his decision to move in France**. With our extensive litigation and transactional experience in France as well as our Network of *Notaires* and other legal professionals, our clients are treated with competence, professionalism, care, and the utmost respect. We value their issues, and we try to solve them with strategies narrowly tailored to each client' situation. Our firm serves businesses and physical individual from Paris or USA. Our law firm practices in multiple languages and can work in French, English, Hindi and Urdu.

IMMIGRATION LAW

All types of visas, transcriptions of births and marriages, removal orders.

We provide narrowly tailored legal counsel with regards to business visas, family-based visas, visitors visas, talent visas, long -stay or short-stay visas. We also specialized in litigation and therefore our law firm can challenge removal orders.

BUSINESS AND REAL ESTATE LAW

Incorporating a company or finding you dream apartment in Paris or Home in Côte d'Azur

We help our clients to establish their businesses in France or to buy their real property in France. If you are facing anxiety to buy in France, we are here to help you through every step of the process and to tender you the deed of property or the deed of incorporation.

INHERITANCE LAW

You have some estate in France, and you are facing multiple challenges to fight it

We strive to help our clients and businesses when it comes to issue related to inheritance law, real property distribution issues or personal property disposition, wills, and conflicts of jurisdiction.
